Created by America's Fraternal Benefit Societies in 2000, Join Hands Day promotes intergenerational partnerships and increases awareness of and participation in community service projects. Since Join Hands Day's inception, Catholic Order of Foresters members have supported this mission.

As a trusted, century-old fraternal benefit insurance society, Catholic Order of Foresters is dedicated to providing its 137,000 members with financial security and opportunities for spiritual, social, and charitable growth.
